**to the Chambers of Commerce**

**Dear colleagues,**

An unprecedented in the 21-st century aggression has been committed against Ukraine. In the centre of Europe, the ballistic missiles, aerial bombs and missiles fall on the peaceful cities; the Ukrainians are killed with cannons, tanks and submachine guns.

Ukraine makes a heroic resistance and courageously repels the aggressor's attacks. The Armed Forces of Ukraine are engaged in fierce battles throughout Ukraine: from the Donbas to the western regions, from the Crimea and the northern borders with Belarus. Ukrainians demonstrated their unity and heroism.

We are grateful to all those who support our people in these difficult conditions. We know about the huge support for Ukraine all over the world.

But we still need a lot, because the aggressor has one of the most powerful armies. We can stand it, but we need your help.

Today we want to ask you, dear colleagues, for the support: every cent and kilo of the aids transferred shortens the path to peace.

You can help Ukraine by simply making a transfer using a payment card of any bank in any country of the world.
